

Covington Landing

This 100+ space parking lot, is the original waterfront of the city and is still our front door. It was the long-time home of the Mike Fink floating restaurant. It is important to note that this lot often floods and is closed when the river is high.

Located at the foot of Greenup Ave and then to the right.

[1 Ben Bernstein PL, Covington KY, 41011](#)

Height Restriction - None
